8. ACTION

- 1. Bid Award – Exterior and Mechanical Upgrades to Carmel High School Natatorium Mr. Roger McMichael

Recommendation

It is recommended the Board of School Trustees award the bids for the Exterior and Mechanical Upgrades for the Carmel High School Natatorium as follows:

<u>Bid Category</u>	<u>Contractor</u>	<u>Bid</u>
1 - General Trades	Myers Construction Management	\$608,127.00
Total Bid Award		\$608,127.00

Background Information

This project includes repair of the roof structure and roof replacement at the skylights over the natatorium pool and construction of additional ventilation components to increase air circulation within the pool area. This project is included in the 2015 General Obligation Bonds. The project will start on or about June 1, 2016 and be substantially completed in approximately 35 days. A tabulation of bids received and a letter of recommendation from The Skillman Corporation are attached.

- 2. Change Orders – Carmel High School Finishes Remodel & Fire Alarm Replacement Mr. Roger McMichael

Recommendation

It is recommended the Board of School Trustees approve the below listed change orders for the Finishes Remodel & Fire Alarm Replacement at Carmel High School.

<u>Contractor</u>	<u>Change Order No.</u>	<u>Amount</u>
LaFever Electric	00001	DEDUCT -1,621.00
Total		DEDUCT -\$1,621.00

Background Information

This change order incorporates the changes described below and on the attached change order forms.

Summary:

LaFever Electric

Close out contract allowance.

Change Order 00001

Deduct unused contingency allowance from contract.

3. Engineering and Technology Materials Adoption

Dr. Amy Dudley

Recommendation

Attached is the list of materials recommended by the Middle School Engineering and Technology Committee to be used by Carmel Clay students during the 2016-2022 school years.

Background Information

The Middle School Engineering and Technology Committee convened in the Fall of 2015 to articulate and align courses with state course descriptions and technology, engineering and career exploration standards. The committee viewed and analyzed materials based upon the articulation and alignment as well as middle school program evaluation recommendations and best practice research. The proposed materials will give students multiple opportunities to explore Science, Technology, Engineering, and Math (STEM) topics and how these topics apply to specific careers.

4. Communications Materials Adoption

Dr. Amy Dudley

Recommendation

Attached is the list of materials recommended by the Communication Materials Adoption Committee to be used by Carmel Clay Students during the 2016-2022 school years.

Background Information

The Communication Materials Adoption Committee convened in the Fall of 2015 to review materials for adoption. The charge of the committee was to view and analyze materials based upon program evaluation recommendations, best practice research, student achievement standards, and curriculum requirements.

9. DISCUSSION

1. First Reading of Policy 5111 - Eligibility for Enrollment

Policy Committee

2. Administrative Reorganization, Phase IV, Re-Allocation
