Recommendation

The attached list of materials is being recommended by the Miscellaneous Materials Adoption Committee to be used by Carmel Clay Students during the 2016-2022 school years.

Background Information

Due to new courses and changes in some course curriculum it was necessary to convene a committee of teachers and administrators to review new materials to support the curriculum. This committee was made up of teachers who taught the specific courses and administrators that work with the departments. The charge of the committee was to view and analyze materials based upon program evaluation recommendations, best practice research, student achievement standards, and curriculum requirements.
