10. DISCUSSION

1. Course Changes 2018-19

Dr. Amy Dudley

Recommendation

Approval of the proposed course changes for the 2018-19 school year is recommended.

Background Information

In order to continue our efforts to provide students with the most challenging course of study, several course changes are proposed to be included in the 2018-19 Program of Studies. The proposed courses and modifications to courses offer a rigorous, innovative curriculum that engages students in critical thinking and problem solving.
